How should volunteer sign up?*

Choose whether sign-ups are managed on the app or if this is an external listing only.

Sign up on the app

Volunteers apply and are managed directly through platform.

Listing Only

This is posted for visibility. Volunteers contact you directly to sign up.

External Sign-up URL*

 Volunteers clicking "Sign Up" on this listing will be directed to this URL

What Listing Only means

Applications and approvals happen outside the app

Volunteer Corner posts the opportunity for visibility. Your existing system handles applications, approvals, volunteers and shifts.

Your own forms do not automatically mean Listing Only

You can still use your charity's forms with **Sign up on the app** when Volunteer Corner manages your volunteers and shifts.

Create the rest of the role as usual

Add the roles, duties, date and times. You can also make the listing recurring. Click **Create Event** when finished.
